Technical Features, Specifications, etc.	AP-EASY CS-FF PN: 56092-22	AP-Easy Cyst – FF PN: 56092-23	AP-Easy 3MFF100 Full Flow PN: 56163-18	AP-DWS1000 PN: 5583101
Technical Description –AP-EASY Systems are designed to be installed to the primary kitchen or bath cold water faucet, for full flow filtration, providing a clean look to your counter. AP-EASY systems include attached mounting bracket. AP-DWS1000 is a two filter under sink alternative to bottled water, with dedicated faucet and unique water meter that indicates filter cartridge changes.	Pleated 5 micron membrane w/ activated carbon block filter.	Pleated sub-micron membrane w/ activated carbon block filter.	Pleated sub-micron membrane w/ activated carbon block filter.	Undersink alternative to bottled water with dedicated polished chrome faucet and shut off meter reminder for filter changes. Reduces sediment (.5 micron), chlorine taste, odor, lead, cyst, mercury, asbestos, VOCs & MTBE.
Drinking Water System, Using Existing Water Faucet	YES	YES	YES	NO
Drinking Water System w/Dedicated Chrome Faucet	NO	NO	NO	YES
Built-In Valve Shuts Off Water When Changing Filters	YES	YES	YES	YES
NSF Certified	YES	YES	YES	YES
5 Micron Filtration	YES	YES	YES	YES
.5 Micron Filtration (.2 Micron Nominal)	NO	YES	YES	YES
Reduces Particulates, Sediment, etc.	YES	YES	YES	YES
Reduces CTO (Chlorine, Taste, Odor)	YES	YES	YES	YES
Reduces Parasites, Protozoan Cysts	NO	YES	YES	YES
Removes Lead, Benzene, Toxaphene, p-Dichlorobenzene, 99.95% removal of filterable Cryptosporidium parvum cysts	NO	NO	YES	YES
Removes VOCs, MTBE	NO	NO	NO	YES
Removes Fluoride	NO	NO	NO	NO
System is Certified To Reduce Bacteria	NO	NO	NO	NO
Recommended Filter (s) Change Frequency	6 MONTHS	6 MONTHS	12 MONTHS	6 MONTHS
Filter Life (Capacity) in Gallons / Litres	2000 Gallons/7571 L.	2000 Gallons / 7571 L	6000 Gallons / 22,712 L	625 Gallons / 2366 L
Shut Off Meter Valve Notifies When to Change Filter(s)	NO	NO	NO	YES
Water Flow Rate / Gallons / Litres Per Minute	2 GPM	1.5 GPM	2.5 GPM	.6 GPM (2.3 lpm)
Maintains Alkalinity	YES	YES	YES	YES
Uses Existing Water Faucet	YES	YES	YES	DEDICATED FAUCET INCLUDED
Includes Separate Dedicated Polished Chrome Faucet	NOT REQUIRED	NOT REQUIRED	NOT REQUIRED	YES, Polished Chrome
Optional Designer Faucets Available (NSF, Ceramic)	USE EXISTING FAUCET	USE EXISTING FAUCET	USE EXISTING FAUCET	YES, including Ceramic and NSF
Shipping Weight	2.2 Pounds	2.58 Pounds	4 Pounds	7 Pounds
